

## A trusted local auto glass handoff

For dealerships, body shops, insurance agents, fleets, community organizations serving Colonial Heights, the Tri-Cities, and the Richmond metro.

AGSC-certified service: Certified technicians and a local shop built around safe, documented glass work. OE-equivalent glass: Glass is matched to the vehicle and meets OEM specifications; OEM is available when requested or required. Lifetime workmanship warranty: Every installation is backed by Legendary's lifetime workmanship warranty. ADAS handled in-house: Static and dynamic ADAS calibration are available when the vehicle procedure requires calibration after glass service. Insurance-claim support: We help customers work through carrier, coverage, deductible, and claim details. Shop and commercial mobile coverage: Retail work is handled at the Colonial Heights shop; qualifying commercial accounts can use mobile service.

### THREE-STEP HANDOFF

#### 1. Share the essentials

Send the customer our call or quote link, plus the vehicle year, make, model, damage location, and insurance carrier if known.

#### 2. We confirm the details

Legendary verifies the vehicle, glass type, calibration requirements, availability, and likely insurance or out-of-pocket path.

#### 3. The customer knows what is next

We confirm the appointment or next step directly with the customer and explain what to bring, where to go, and what to expect.
